Kids Summer Camp

Pictured: One of our 2024 summer camp bursary recipients, Colin, had a blast at Zajac Ranch Summer Camp.

His father, Rudy, shares, *"From horseback riding, swimming in the lake to playing with the assorted farm animals and making new friends with the counsellors and others. The boy was tuckered when he got home, could barely keep his eyes open for the drive back. Colin is looking forward to the next session, every night he asks when he's going back."*

Jaymie-Lynn Robertson Bursary Recipients

Our 2024 bursary recipients each received \$1300 towards their post secondary education.

Tyler Hewitt

Tyler is ready to face his next challenge at college in the fall as he begins his 4th class power engineering certification.

Julia Pitsiaeli

Julia will continue to complete her Bachelor of Science in Chemical Biology at University of British Columbia.

Bailey Murphy

Bailey will continue to complete her Master of Counselling at Yorkville University.
